Exchange Agreement
between
Kanya Maha Vidyalaya ("KMV") and Faculty of Education and Psychology, Eötvös Loránd University ("ELTE PPK")

ELTE PPK and KMV enter into this agreement of cooperation in recognition of our mutual commitment to create a sustainable international education partnership. The success of such an agreement will be dependent upon a relationship of mutual trust between the two institutions and will become effective and on the date of signing by the appropriate officials.

The intent of the agreement is to provide an opportunity for students and faculty from KMV and ELTE to study and participate fully in the life of the host institution's community. The signing of this agreement also indicates a commitment of both institutions to work to establish other opportunities for collaboration and exchange of resources. KMV will encourage students who have such an interest to pursue their MA studies in the Faculty of Education and Psychology in collaboration with Eötvös Loránd University.

I. Scope of the cooperation

Subject to mutual consent, the areas of cooperation will include any program identified and agreed to by both institutions that is beneficial to students.

Cooperation shall be carried out through such activities as:

I. Student exchange
II. Faculty exchange
III. Joint research activities and publications
IV. Exchange of academic materials and other information

II. Student exchange

Exchange shall mean a one-for-one exchange of students from each institution. The total number of students exchanged per year will be determined by mutual agreement of the two institutions. During the summer of each year, coordinators at each institution will review the # of exchange students and agree on a plan to balance them out as needed.

Participants remain students of the home institution throughout the period of the exchange. Host institutions will make all efforts to fully integrate exchange students into their communities and will offer full access to all facilities and student activities and services. As such, all policies and rules governing student life at the host institution shall apply to exchange students as well.

Exchange candidates will be nominated, and their qualifications for the exchange tested by their home institutions and approved by the host institution.

Students will be free to choose courses from the full range of courses available at the host institution, provided that they satisfy the individual course prerequisites and space is available.

Participants in the exchange must have their proposed program of studies at the host institution approved by their home institution prior to the exchange.

At the end of each semester and upon request, the host institution will send to the home institution an official transcript of the academic achievement of each student participating in the exchange.

Tuition. There will be no exchange of tuition dollars between institutions. Students participating in the exchange follow the policies regarding tuition payment set by their home institution. In case a student would come for a whole master then there would be a charge.

Housing. Students will need to arrange their own accommodation where room and board is not available at the host institution's campus. Where room and board is offered, students may apply to live on campus or opt to live off campus, in which case no fees for these services will be incurred.

Other Fees. Students are responsible for all travel costs, living expenses and any incidental costs at the host institution. Students are responsible for acquiring health insurance at their own expense and for abiding by all federal and local regulations governing international students studying abroad. Evidence of such health insurance must be provided to the host institution.

KMV students studying at ELTE PPK may incur the following non-tuition fees.

- Housing
- Health insurance
- Books and supplies
- Personal expenses

Eötvös Loránd students studying at KMV may incur the following fees.

- Housing
- Meal Plan
- Student Life events and cultural excursions
- Health Insurance

III. Faculty exchange

Lesley and KMV shall explore the exchange of faculty members and will assist them in locating funds from various international scholar programs or such individual granting agencies as are available. Faculty members and administrators of both institutions are welcomed to make professional visits to their sister campus for familiarization with their counterparts and for possible development of mutually beneficial programs.

IV. Joint research activities and publications

At a future date, the two institutions may look into the possibility of undertaking joint academic programs deploying their faculty members and facilities, drawing upon their respective strengths.

V. Exchange of academic materials and other information

Faculty from both institutions shall be encouraged to exchange their respective publications and research findings on their own initiative when deemed desirable for the enrichment of their respective research activities.

VI. Agreement coordinators

Each institution shall designate an individual responsible for coordinating the specific aspects of the program as well as advising and assisting students.

The designated coordinators for this exchange agreement are:

This agreement shall be evaluated periodically by each institution to: (1) assess its effectiveness for students and (2) review the number of exchange students between the two institutions. At the end of each review period, the two institutions may mutually agree to modifications as deemed appropriate, in the form of addendum signed by both sides. This agreement may be terminated by either party by giving written notice to the other six months in advance of the date of termination.

In the spirit of international friendship and cooperation, we hereby set our signatures to renew our long-standing partnership.
